Judge Staton,

This is a plea
For help! My name is Laura Chester
and I'm a Class member with the
Kia Engine Litigation II, No.

8:18-cv-02223-JLS-JDE (C.D. Cal.)

My vehicle qualify'd For The
proposed settlement. I'm in no way
trying to be rude right now... But I
don't know if you're a mister Staton or a
Miss or Mrs Staton, So I'll go by
just Judge. Judge I've been involved
with this as soon as I received the
proposed Notice, I was so happy to see
something was going to be done & I was
certain I would surely be reimbursed
I will try not to make this a long
letter, But I can't seem to find anybody
that's willing to help me find out why
my submission (my 3rd) went to
Arbitration, Nobody knows of a phone No
or an Address to where I can check on
my status, Judge I've went above & beyond
doing my best with lack of knowledge in
these matters, with my submission's I've
sent in. I put together it took me
2 weeks I wanted them to be very
clear on my case I even highlighted
sent in all the proof they ask for

Concerning The engine Fire & Engine Failure, Everything was in on a timely manner... I'm reading right here it says Other Than a request To review The court's File's (Which I would love To have!) at The Clerk of The Court's Office, Please Do not contact The Clerk of The court

Or the Judge with question's What is one suppose To do when no one seem's to give one a oda what happen's To me & my Kia I only had For 3 month's 84,000 miles 2015 paid cash 13,000\$ And had To Trade it because of Engine Failure Because I could not afford The repair! Which was under a recall in The 1st place

Then I said dt To me this is so simple To

justify
I'm reaching out To you For help
Because I know They will listen
To you Judge Staton

I don't do tech or E. mail or computers
please don't take This home with you
but I'll Be waiting To
hear From you in a
Timely manner
(little humor)...
